Congregational Church Notes.

The mid-week service will be held Wednesday evening as usual in the vestry at half-past seven. The topic to be considered is "Greater Works than Christ's, Are They Possible?" The increasing attendance upon this service indicates a deepening interest which is most encouraging.

Sunday morning the pastor will preach upon "The Need and Grounds of Christian Fearlessness." In the evening the third discourse on "Some Ecclesiastical Ideals" will be given. The special theme will be: "The Model Church." There will be a good service of song at the opening and also some selections by the choir.

The service of last Sunday evening was exceedingly enjoyable and there was the largest attendance noted for several weeks. The Sunday school chose as delegates to the county convention to be held Thursday evening and Friday of this week at North Troy the following: Mr. and Mrs. S. I. Parker and Miss Grace Austin. The lesson period for next Sunday will be devoted to review exercises and it is expected to prove very interesting. The C. E. meeting will be held in the vestry at 6:30. Topic, "Missionary Boldness." This will be a good service. All the young people are heartily invited.

At a "Bull Moose" meeting held in the opera house Thursday evening a progressive club was organized with the following officers: President, R. A. Bean; vice president, B. O. Smith; secretary and treasurer, J. B. Colton. Executive committee, E. C. Skinner, chairman, A. D. Beede and H. H. Person. The following committee was appointed to report on resolutions and by-laws at an adjourned meeting held Tuesday evening: E. C. Skinner, W. E. Sawyer, and F. M. Allchurch. B. O. Smith, chairman of the membership committee, will be pleased to supply you with a "Bull Moose" pin and he and his assistants will be glad to add your name to the membership of the club.

If a wholesome, honest, cleanly play that alternates pathos and laughter with galling gun rapidity is what theatre goers want, they will not fail to see the great Western Comedy drama, "The Angel of the Trail," at Orleans opera hall, Thursday, Sept. 26. It is somewhat different from the ordinary Western plays and advantageously so. Up-to-date musical numbers are interpolated and vaudeville features introduced, making an attraction that is bound to suit all tastes. Every one that is interested in the coming presidential election should hear the great campaign song "Fall In and Follow Me" especially arranged for this production. No matter what your politics are it will hit you right. The play itself is cleverly written and has been pronounced equal to "The Girl of the Golden West." Popular prices will prevail.
